Fax: 480-664-5499
Jeff Markle – Principal
Rich Dellacona – Dean of Students

Return to School Checklist for Success

Students:

- Chromebook and Charger EVERYDAY (We will not be checking out loaner computers to students who forget their device, they will need to work with pencil and paper that day, or have their device brought to them.)
- Water Bottle (Students need to bring their own water bottle as access to drinking fountains are limited.)
- MASK MASK MASK (Mandatory that all school personnel including students will wear a mask properly while on school grounds.)
- Planner or Notebook to capture assignments and learning (I would strongly encourage students to have a place to write down what they did in class and what they need to complete. Way too many missing assignments.)
- Hands to ourselves!!! (We need to maintain social distancing and hands to ourselves at all times while in school.)
- Sit in Assigned Seat
- Share your PLP/Buzz login and password with your parents and go over your classes with them.

Parents:

- Please talk with your student about the following items:
 - Controlled behavior in school
 - Hands to yourself
 - Social distancing
 - Calm atmosphere at lunch
- Check with your student on what they completed in class and what needs to be done for homework.
- Have your student prepare the night before for the next day:
 - Chromebook ready to go
 - Water Bottle
 - Mask
 - Other Class materials all in one place
- Keep students home when they do not feel good (Any Symptoms)
 - Please utilize Option B when your student does not feel good, that is what that option is for. Your student can stay current on classes until they return to school.
- Contact the main office if your student will be absent

- Contact the main office if you are utilizing option B. This will help us with many things:
 - Accurate Attendance
 - School and Class Planning
 - Student Accountability
- Contact the teachers and open a line of communication for any questions you might have or concerns that come up during the second semester.
- Have Students share their PLP/Buzz login and password with you, you can go in as a parent and see everything they are doing and needs to be doing.
