COLLEGE & SCHOLARSHIP INFORMATION

Arizona's participation in the **Western Interstate Commission for Higher Education (WICHE) Western Undergraduate Exchange (WUE)** provides the opportunity for students to attend a public college, at the undergraduate level outside of Arizona, at a reduced level of tuition (150% of the host institution's resident tuition.) The WICHE member states are: Alaska, Arizona, California, Colorado, Commonwealth of Northern Mariana Islands, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington and Wyoming. Interested applicants should check the WICHE website at: <http://www.wiche.edu/wue> to search participating institutions by program of study.

Student Athletes: If you are planning to play college sports at the Division I or II level, you must register with the **National Clearinghouse (NCAA)** during your sophomore year (10th grade). Check on their site to confirm you are taking the courses you need to not only graduate from Fountain Hills and get into the college, but are eligible through their organization. For example, the do not accept on-line courses. Choose classes wisely.

ASU UPDATES

Students can still apply to ASU. Students and parents should create their FSA (Federal Student Aid) login and file their Free Application for Federal Student Aid as soon as possible. With the FAFSA available early this year and families being able to use their previous year's tax information, the whole admission process is easier and can be completed earlier. Here's how the changes help families: When families file the 2017-2018 FAFSA, they will use their 2015 tax returns, which are already done. It cuts down on the number of families selected for verification. Families hear from colleges and universities sooner about their complete financial aid package.

- **Jan. 1 ASU's FAFSA** priority filing deadline
- **Jan. 1 Obama Scholars Program** priority filing date
- **Jan. 8 Early Action II-** Barrett, The Honors College

NAU UPDATES

Regarding STAR, Honors, and CCC2NAU: STAR: Applications opened on October 1, 2016 with a Priority Deadline of February 1, 2017. To apply, the students must follow the steps below:

HONORS: There is no deadline to apply to Honors, but we strongly encourage submitting application materials prior to March 1. If you would like to live in Ernest Calderon Learning Community (this date allows us to review and process your application for Honors in enough time in advance of Calderon room placement); May 1 is their priority date to ensure enrollment in our first year Honors seminar. In order to be in the running for Honors Scholarships, students will need to complete the honors application by November 14.

CCC2NAU: Due to high demand, residential hall space will not be available for CCC2NAU students for the 2017-2018 academic year. There will be alternative housing options available.
