

SoCalREN Multifamily Program

Property Owners and Managers

Property Owners and Managers, are you looking for a safe and simple way to make upgrades to your multifamily property? We can help you enjoy the benefits of energy efficiency upgrades while maintaining social distancing. Get more information today. For more information on eligibility requirements for your property, please visit our [website](#).

Contractors

Contractors who work in HVAC, lighting, or water heating, did you know we can help you offer your multifamily property customers incentives to make energy efficiency upgrades? Contractors can offer their customers incentives and benefits and enjoy perks for their own business. Learn more about becoming a Participating Contractor today by clicking [here](#).
