

Travel Pal!

Share the Ride to Your Next Concert at the Forum

Travel Pal is a great tool for understanding your Personal Mobility Patterns - where you go and how you get there - (driving alone, bicycling, walking or taking the bus). It's also a fantastic way to find a carpool match for your trips to and from local events. Did you know that Travel Pal is now being used by the Fabulous Forum to help guide and direct their visitors to their venue?

<https://southbaytravelpal.com/#/events>

Hop on to Travel Pal's event page and see what events are happening at the Forum and other South Bay venues. Once on the Events page, you can learn about what's going on – a concert, sporting event or maybe even a musical at a local college theatre. You never know what you'll find and, best of all, Travel Pal not only links you to the venue's home page, but it also gives you an opportunity to consider the benefits of carpooling or taking Metro to and from the event that you're planning to attend?

How does it work? Well, it's as easy as 1,2,3!

1. Visit the Travel Pal Events page at: <https://southbaytravelpal.com/#/events>
2. Click on the Event in which you're interested, and you'll be linked to a new page where you can learn more Travel Information about the event.
3. To learn about your travel choices, simply add the address for your "Starting Location" and hit the green "Let's Go!" button!!

From there you'll get directions to the event, transit information, carpool matches as well as bicycling and walking information – If you're not already a member, you'll be prompted to join Travel Pal. Once you're logged in, you can even post your own event!! It's free, it's fun, and it's a great way to learn more about your transportation choices to events as well as to organize and communicate transportation and parking information about future events. Check out Travel Pal today at: <https://southbaytravelpal.com>
