

CITY OF TORRANCE WATER DEPARTMENT

CASH FOR KITCHENS PROGRAM

For Restaurants and Commercial Kitchens

Save water, energy and money with the CASH FOR KITCHENS program.

*Pre-Rinse Spray Valve

*Faucet Flow Restrictor

The Program

Cash for Kitchen's Program provides FREE water-use surveys for restaurants and commercial kitchens. Participants receive training materials and can qualify for FREE water saving devices such as:

- 💧 Pre-rinse kitchen sprayer
- 💧 Faucet aerators
- 💧 Rebates are available for ice machines and kitchen steamers.

CASH FOR KITCHENS
TRAINING MANUAL

Cash for Kitchens Training Manual

How the Program Works

The FREE water-use survey provides restaurants with information on their current water practices and equipment, strategies on how to better conserve water, and free materials to assist management in training their employees to be more water efficient.
