

# SAVE THE DATE

## HONOR AND REMEMBER FLAG CEREMONY - NOON, SEPT. 11

The National Museum of Military Vehicles proudly invites you to its inaugural Honor and Remember service on Sunday, Sept. 11, at noon. Honorees include the families of Air Force Combat Controller John Chapman, Marine Cpl. Matthew Henderson, Marine LCpl Rylee McCollum, Marine LCpl Chance Phelps, and Marine LCpl Jerrod Warden. All honorees have a Wyoming connection. The goal of the Honor and Remember program is to perpetually recognize the sacrifice of America's military fallen service members and their families. For guests who also wish to tour the Museum, there will be no admission charged on Sept. 11.
