

## **WE'RE HIRING!**

We currently have 3 full-time employees but we need one extra. Business is booming and we need an extra mechanic. The person has to have previous mechanic experience, assembly and parts knowledge a plus.

We work 8:30am to 4:30pm Tuesday through Saturday. Closed holidays. Great pay. And perks of riding demos.... we buy lunch every Friday.

We appreciate our employees.  
Full or part time, couldn't do it without them.  
We just need an extra hand.
