Please join your colleagues for the first AIA Lunch & Learn event of 2024 on Wednesday, January 17th at Noon in Freeland at the 2nd Street Sports Pub Restaurant.

Event Description:

Greg Borgia from Scranton Products will present a 1-hour, in-person AIA accredited program titled "Locker Solutions with Sustainability and Design in Focus".

One of the learning objectives from this course is "the design professional will be able to compare and contrast different types of lockers in terms of their material composition, maintenance, life span, and sustainable benefits to both occupants and the environment."
