Title: American Institute of Architects-Flint announces winners of annual architecture scholarships.

Date: September 26, 2022

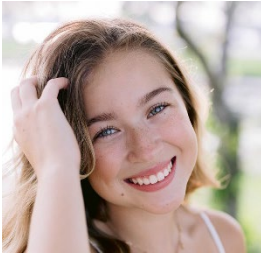

Announcement:

The AIA Flint Donald E. Lee Architecture Scholarship Fund was established to encourage and assist students graduating from high schools in the Flint Section region (Genesee, Shiawassee, and Lapeer Counties) and existing college students to pursue a professional degree in architecture at a college or university with a NAAB accredited architecture program, or an associate degree in architectural technology. The fund is administered by AIA Flint, a Section of the American Institute of Architects.

The American Institute of Architects- Flint has over 40 architect, associate, and affiliate members. Our mission is to illuminate the profession of architecture through advocacy, public outreach, education, fellowship, and recognition of design excellence. Our members work with each other and their communities to create more valuable, healthy, and sustainable buildings and neighborhoods.

Since the inception of the scholarship in 2012, the AIA Flint has awarded \$42,000.00 in scholarships to 26 recipients.

The American Institute of Architects Flint, jointly with AIA National, is pleased to announce the recipients for this year's Donald E. Lee Architecture Scholarship:

Alyvia Rose Li, a Lapeer High School graduate, will be attending Lawrence Technological University, has been awarded a scholarship in the amount of \$3,000.00.

Emma Trisch, a past Lapeer High School graduate, currently attending Lawrence Technological University, has been awarded a scholarship in the amount of \$3,000.00.

The awards were presented to the recipients during a ceremony on Friday, August 26, 2022 at the AIA Flint annual golf outing held at the Fenton Farms Golf Club.
