Happy October to all of our Michigan members!

Fall is here and it is that exciting time of year where we all pull out our black sweaters!

I want to call out a few upcoming events that I think would be of interest to our EP members. First is the ARE prep session being held on October 12th at LTU's Detroit Center for Design + Technology. If you are planning on sitting for your exams – this is a great opportunity to come out, study with some like-minded EPs, as well as learn a bit more about what to expect in the exam process. This will be a study group covering the following 4 sections of the exam:

- Development + Documentation
- Construction + Evaluation
- Practice Management
- Project Management

We ask that everyone please bring 10 - 15 quiz questions per category to share with the group. Participants should also bring their laptops. Questions will be provided by the AD from the Brightwood Study Materials. Lunch and Coffee will be provided – and the cost will be \$20/person. For more information – or to register – visit the AIA newsletter or Facebook page.

In closing, I wish everyone a happy and safe Michigan Fall. I ask, as always, that you please feel free to reach out with me with any questions or concerns that you might have. Hope to see you all around this summer at some of our events!

A handwritten signature in black ink, appearing to read "C. Stefani".

Christopher Stefani, Associate AIA
