

Put your Heart in Treasure House Fashions

BECOME A PILLAR OF SUPPORT

TREASURE HOUSE FASHIONS IS APPROACHING OUR 25TH ANNIVERSARY!

We've served over 50,000 women and given away over \$3 million in clothing – but those statistics pale compared to the impact on individual lives.

- “Shana” was abducted and held captive in an alley garage with her St Bernard. Sometimes her abductor would choke her until she passed out. Two police drove down the alley and heard her dog barking incessantly. They stopped to investigate and she was freed. Crisis Center North sent her to our House for clothing because she had nothing!
- “Janet” was released from prison in the clothing she was arrested in, even though she was a different size and it was a different season. She had to borrow clothing to come to our store and was embarrassed by her appearance. We shopped with her to restore her wardrobe and her dignity. When she left our House, she was smiling ear to ear!

WE'RE SEEKING PILLARS OF SUPPORT –

organizations that are willing to invest \$25,000 or more in our mission.

This financial contribution will be acknowledged with a plaque permanently placed in our facility, noting that our progress – our on-going impact – is the result of those who have stood with us in our service to women in our community, particularly those in transition or crisis.

As we reflect on what we've done and on what we want to do, we know we haven't done it alone and we can't continue to make an impact without additional support.

We want to fulfill our dreams:

to make our facility fully accessible,
to create a workforce development area,
and to establish a solid foundation for sustainability
to continue to serve women in our community
experiencing challenging journeys.

We invite you to make a legacy gift to join Treasure House Fashions in Lifting Up Women and Dreams. We invite you to invest in our future and the future of women on challenging journeys in our community.

For more information or to have an extended conversation with our Executive Director Sally Power, please contact her by email: sally@thfashions.org or cell: 412-715-7446. Thank you for your consideration!
