Subject: Important Information - "PAUSE" July Shop-Thru

Attn: Partner Agencies
Friday, June 27th - Thursday, July 31st

We regret to inform you, that starting **Friday, June 27th** there will be a "**Pause**" on our Shop-Thru option for **ALL** agencies.

While we understand that many of our partner agencies depend on the ability to come to the warehouse daily, or at any given time, to pick up FREE and FRESH produce for their pantries, programs and markets, however due to state and federal funding cuts, we had to scale back on fresh produce in July.

Starting **Friday, June 27th and throughout the month of July**, there will be **NO SHOP THRU!** We remain hopeful that this will only impact the month of July.

We appreciate your understanding and look forward to seeing you in Shop-Thru in August!

Questions? Concerns? Contact your Agency Relations Manager or the Orders and Customer Service Department.
Thank you.
