Dear Amy,

Thank you for First Community's generous donation in support of Healing Art Missions' work in Haiti. We are so grateful to have you all as partners as we work to connect rural Haitian communities to the basic human rights of healthcare, education, clean water, and employment.

We continue to try to find ways to help in Haiti, despite the challenges. Without your support, this work would not be possible. We greatly appreciate the flexibility in how the grant will be used, particularly given the circumstances in the country.

Thank you for your generosity and your commitment to standing with the people of Haiti.

Donation Amount: $10,000
Donation Date: 4/4/2025

Thank you all so very much. This makes such a difference.

Warmest regards,

Connie
