

## Core Purpose

To promote a secure digital world.

## Core Values

**Integrity** Evidenced by a reputation for trustworthiness earned through ethical, fair, transparent, and professional behavior.

**Excellence** Evidenced by a commitment to expertise and experience in our field.

**Respect** Evidenced in appreciation of the value of diverse perspectives and experience in promoting a culture of leadership and innovation in a global organization.

**Developing and Connecting Cybersecurity Leaders Globally**  
ISSA is the community of choice for international cybersecurity professionals dedicated to advancing individual growth, managing technology risk and protecting critical information and infrastructure.

# ISSA Strategic Goals

***Leadership*** ISSA will lead the global security community collaboration to protect society from security threats.

***Program*** ISSA will provide the profession with highly qualified practitioners and high quality education and training.

***Influence*** ISSA will serve as a respected and trusted source and advisor on information security related technology, education, standards, and legislation.

CYBER RESILIENCE & RESPONSE:  
KEEPING THE LIGHTS ON IN THE FACE OF CYBER ATTACKS

Scottsdale Marriott at McDowell Mountains | January 25-26, 2018

### Cyber Resilience and Response: Keeping the lights on in the face of cyber attacks

January 25-26, 2018

Scottsdale Marriott at McDowell Mountains

The January ISSA CISO Executive Forum in Scottsdale, AZ will focus on Cyber Resilience: Keeping the lights on in the face of cyber attacks. Our interactive sessions will explore these trends and discuss: Anatomy of Paying the Ransom, the Forensics Tabletop, Public Cloud IR Preparedness, GDPR Impacts on IR, The Story of the OneLogin breaches. You'll return to your organization armed with practical methods to address current issues, and can guide your teams to focus on areas of highest risk. Join your peers at this exclusive, CISO-only event. More info [here](#).
