

## Partner Highlight

### National CyberWatch Center Partners with Information Systems Security Association

Last December, the leadership of the National CyberWatch Center (NCC), in recognizing the power of building partnerships with other organizations in related technology areas, initiated steps to begin discussions with several cyber-focused organizations. One of the partners selected was the Information Systems Security Association (ISSA).

As of June 26th, the National CyberWatch Center and ISSA International Global Special Interest Groups (SIGs) have now established a formal partnership. Direct benefits to our NCC members include:

- 20% ISSA Conference Registration Discount to NCC members, including educational faculty partners (SIG discount codes: FSIGIC17, SEASIGIC17, WISSIGIC17, HCSIGIC17)
- Marketing outreach to local ISSA Chapters and SIGs to drive awareness and program support for NCC affiliated events and programs
- Opportunity for NCC members to participate in SIG virtual and in-person events
- Opportunity for NCC members who become SIG members to submit articles for consideration and possible publication in the bi-monthly issues of the ISSA Journal
- 20% ISSA International Membership Discount for those NCC members which transition from SIG-only to full ISSA Members\* (SIG Discount codes: 20FSIG16, 20HCSIG16, 20SEASIG16, 20WISSIG16)

ISSA International and the Global SIG members look forward to participating with our new NCC partner. As we continue to strengthen the National CyberWatch Center, we will keep you apprised of additional partnerships and any new benefits that will enrich and support your career and program.
