### ON CAMPUS LEARNING

Your child(ren) will begin the 20-21 academic year on campus with the expectation that specific health and safety procedures will be required. In the event that local authorities close school campuses and initiate a stay-at-home order, or the COVID-19 situation requires us to shift to a modified on campus schedule, students will transition to remote/blended learning.

C

### ONLINE INTERACTIVE CLASSROOMS

Your child(ren) will work independently and asynchronously (teacher directed) through their academic courses with support, guidance, and live instruction being offered by teachers who will be periodically teaching online throughout the day or livestreaming their classes (if on campus learning is occurring).

B

### BLENDED LEARNING

Your child(ren) will be in Pardes' blended learning format which incorporates a blend of synchronous (live instruction - in person) and asynchronous (teacher directed) online interactive classrooms with regular modifications to ensure students are receiving a well-balanced and academically fulfilling experience.
