

We are having a warehouse sale at our showroom/warehouse in Marietta over Father's Day weekend. We will be open to the public from 10am to 4pm Friday, Saturday, and Sunday (6/17-6/19). Our showroom is in the 1800 Sandy Plains Business Park, just off the Canton Road Connector and Sandy Plains Road (close to I-75 – Exit 267A).

Our address is 1800 Sandy Plains Industrial PKWY, STE 118, Marietta, 30066. If your GPS takes you to a small white house, you have gone to the wrong location (that's 1800 Sandy Plains RD). Most GPS's will find us by typing in "Sought + Found". You can also use 700 Sandy Plains RD as another GPS point (takes you to the strip mall in front of our business park). We are in Building 100, Suite 118.

We'll have lots of high-end home furnishings, furniture, rugs, lamps, artwork, pillows, and accessories for sale. Including several pieces of outdoor furniture and rugs.

We are also going to have some of our inventory from other small businesses/artisans on sale, including pieces from Swedish artist, Nadja Wedin. We carry several of her 15"-18"-26" round trays and other sizes (made with sustainable Swedish birch) and table frames. All made in Sweden. We are working to get more Swedish artists in our shop, and hopefully more to come soon.

Players from the Men's and Women's Rugby teams at Life University will be on hand to help get items out to your vehicle (we hire the players to come in and working our warehouse and at events). And we are working to have a delivery option available as well (coordinated with a team separate from ours). Or you can opt to arrange the pickup of your purchases from our warehouse the following week.

Credit cards only, no cash or checks.
