Veteran Volunteer Drivers Needed

The Veterans Connect program recruits veteran volunteer drivers to provide transportation to elderly veterans in Fairfax, Loudoun, and Prince William Counties. Volunteer drivers, veterans and military supporters alike, use their own vehicles to offer "*more than just a ride*" to nearby veterans in need. The program works closely with NV Rides and many local service organizations who receive ride requests from local veterans.

Far too many veterans in Northern Virginia need help with rides to access healthcare, food banks/grocery stores, and other important appointments. With the help of volunteer drivers, we can combat this growing transportation crisis and help those veterans most in need.

Thank you for your support helping to promote this program, and for sharing our critical need for volunteer drivers.
