

# The COMMONS

## Mount Vernon

**Coming in Early 2027**

### Fairfax County is thrilled to unveil the new name for its groundbreaking community hub: **THE COMMONS MOUNT VERNON!**

This vibrant, reimagined space will transform the historic Original Mount Vernon High School into a 149,000-square-foot powerhouse of learning, opportunity and innovation. A visionary blend of historic preservation and modern design, The Commons is built to grow and evolve with the community it serves. From early childhood programs to senior enrichment, The Commons will be a launchpad for every stage of life – offering cutting-edge education, workforce development and essential life skills training under one roof. Designed with flexibility and inclusion at its core, this dynamic center will empower residents, spark collaboration and open doors to a brighter future.
