

Information for Alport Transplant Patients

Hear from a donor/recipient pair, recent and long-time kidney recipients, and a pre-kidney transplant coordinator [in our closed captioned videos](#). Our website also includes [information about the ongoing Freedom-1 Study](#), a Phase 3 clinical trial for adults who plan to receive a kidney from a living donor.

Become an Organ Donor

According to Donate Life America, an organ donor can save up to 8 lives, restore sight to two individuals, and, through tissue donation, heal the lives of 75 people. You can quickly and securely register as an organ, eye, and tissue donor by visiting [Donate Life America](#). Additionally, [The United Network for Organ Sharing \(UNOS\) website](#) includes plentiful resources on living donation including donor eligibility, the types of living donor transplants, and more.

Advocate for Donor Rights

The bipartisan [Living Donor Act of Protection Act of 2021](#) (S.377 / H.R.1255), commonly called the LDPA, is intended to help eliminate barriers to living organ donation. [National Kidney Foundation's LPDA advocacy tool](#) quickly prepares a supportive email to Congress on your behalf!
