## 2020 PTAC “Brown Bag” Contractor Series

Join us this winter as we continue the BUILDing Connections training for construction contractors seeking Federal, state, or local government contracting and subcontracting. Throughout January, February and March, we'll offer five different "Brown Bag" workshops covering topics specific to construction contractors. These workshops will all be held at the JARI Center for Business Development and will include lunch at a cost of \$5 per person. Each one-hour workshop will be held on a Thursday, beginning promptly at 11:30 am.

Topics by workshop date include:

**Thursday, January 23 11:30a—12:30p**
