SUPPLIER BRIEFINGS

What do our local companies look for in a supplier?

Join us on Thursday, May 30, 2019, for presentations from two local government contractors. Representatives from Martin-Baker America and Kongsberg Protech Systems USA will not only discuss their individual needs for subcontractors, but also what suppliers need to do in order to do business with them.

Meet the Suppliers

Martin-Baker America, Inc. (MBAI), a division of the Killinchy Aerospace Holdings Limited, is a small business located in Johnstown, Pennsylvania. This division was established 20 years ago as a manufacturing and distribution location for Martin-Baker Aircraft which is headquartered in Denham, United Kingdom. MBAI has 132 highly talented, skilled and dedicated employees who accomplish tasks from sewing and machining to parachute packing and MRO support. With a primary focus in supporting the war fighter, MBAI strives to be the global provider of choice for the world's most advanced ejection seats, crashworthy seats and associated safety systems.
