## **A Pro-Life Prayer for Our President and Public Officials**

Lord God, Author of Life and Source of Eternal Life,  
Move the hearts of all our public officials and especially our President  
to fulfill their responsibilities worthily and well to all those entrusted to their care.

Help them in their special leadership roles, to extend the mantle of protection  
to the most vulnerable, especially the defenseless unborn  
whose lives are threatened with extermination by an indifferent society.

Guide all public officials by your wisdom and grace to cease supporting any law  
that fails to protect the fundamental good that is human life itself,  
which is a gift from God and parents.

You are the Protector and Defender of the lives of the innocent unborn.

Change the hearts of those who compromise the call to protect and defend life.

Bring our nation to the values that have made us a great nation,  
a society that upholds the value of life, liberty, and the pursuit of happiness for all.

Mary, the Mother of the living, help us to bear witness to the Gospel of Life  
with our lives and our laws, through Christ, Our Lord.

Amen.
