PROGRAM OVERVIEW:

What is Hospice Care?

What is Palliative Care?

The “Understanding the Basics of Hospice & Palliative Care” webinar will improve your knowledge and guide you in broaching the conversation with your residents and their loved ones on the subject of hospice and palliative care, the key benefits of each service, and the differences between the two. This session will also provide you the knowledge to recognize the desires and needs of your resident for their end-of-life care.

OUR SPEAKER

JEANNE CHIRICO, MPA, joined Hospice & Palliative Care Association (HPCANYS) in August 2020 as the Vice President of Operations and was promoted to CEO in October, 2020.

Jeanne has spent over 25 years in the Hospice and Palliative Care arena. Most recently Jeanne served as the Hospice VP and Administrator responsible for all Palliative Care Services at Lifetime Care within Rochester Regional Hospital in Rochester, NY.

Jeanne's expertise and leadership helped to guide a clinically and financially strong hospice, while also creating innovative palliative care agreements with managed care

payors. One such creative arrangement led to the creation of Upstate New York's largest all-inclusive care for children programs, CompassionNet.
