

## RECITAL COSTUME ORDER 2019

Dear Parents,

It is that time of year for the teachers of The Dance Centre to choose your child's costumes for the Spring Dance Concert. Costume fees for all Elementary I, II and III classes is \$64. Costume fees for all other classes is \$74. The deadline for costume fees is **Tuesday, November 26**.

We would like to ask for your assistance in measuring your child and choosing the proper size for their costume (students will also be measured by their teacher in class). Please fill out the online costume order form with the measurements requested and choose a costume size from the grid (see below) based on the measurements. When choosing your size please remember that your child will not be wearing this costume until June, so we need to allow room for growth. The costume companies suggest that when in doubt use the girth measurement to determine the size. The girth is measured by placing the tape at the shoulder and bringing it down between the legs and back up to meet the tape at the shoulder. Be sure your child is wearing a leotard, standing up straight; feet are together, and head is forward. ***If you would prefer to use teachers' measurements, please let us know by selecting that option on the online form.***

Please keep in mind there are ***no costume returns***. Though we take measurements to determine size, ***costume companies do not make each costume to fit each child perfectly***. If you are unhappy with the fit of your costume and you choose to make alterations you will be responsible for arranging and paying for them.

The Dance Centre asks for a full costume payment before costumes are ordered. If your child is in multiple classes and you would like pay in installments please arrange this with the office. ***\*Ballet students in multiple classes of the same level will only need to order ONE ballet class costume.***

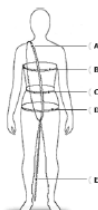

Please submit your costume payment by **Tuesday, November 26**. ***We will not order a costume without a payment. Late costume orders will be charged an additional fee to cover processing, shipping & handling costs.***

Thank you,  
The Dance Centre

### A) GIRTH

Measure from the center of one shoulder, down the front through crotch and up the back to starting point.

### B) BUST

With arms relaxed down at sides, measure around the fullest part of chest, keeping tape measure parallel to the floor.

### C) WAIST

Measure around natural waistline, the narrowest part of the upper body (not over shirt or pants).

### D) HIPS

Measure around fullest part of the lower body, keeping tape straight and parallel to the floor.
