The first field trip to kick off the fall PW season will be a tour of Cave Paper in Tucson. Cave Paper is an independently owned handmade paper production studio operating since 1994, dedicated to making decorated and unusual high-quality papers. In 2020 the “Cave” relocated to Tucson from Minneapolis, MN, and we are happy they are now based in our backyard.

In addition to creating their beautiful handcrafted papers, Zoe, the owner, is dedicated to the use of sustainable practices, such as gray water harvesting. In 2022 the business was recognized as a Sustainable Earth Small Business Awards Winner.

Our tour will begin at 10am and run approximately 1 1/2 hours at a cost of \$10 per person, payable at the tour. After the tour Zoe will give PW members a discount of 10% on all paper purchases. And for those who are interested we plan to go out for lunch after the tour.

The sign-up sheet for the field trip will be available on the back table of the fall PW meetings until the limit is reached.
