**at Cranberry Community

Join with the Faith Forming Families Network (F3N) from Pittsburgh Theological Seminary and Cranberry Community UPC as we host a Children's Spirituality Discussion Breakfast. We will discuss ministering to families for faith formation: challenges, opportunities, insights, and innovations.

Clergy, lay leaders and workers, seminary students, parents and elders, social service providers, and anyone interested in the moral and spiritual development of children are welcome at this FREE event. We invite you (and a friend/colleague or two) to attend!
