

Dear Eubanks parents and students,

We are excited to announce that the extended day program will begin Tuesday, Sept. 6. This program is for any student to complete daily work, homework, make-up work, take/retake tests, do research, get extra tutoring in all core subjects, etc. However, this is not a time for students to play computer games or 'hang out'. Students need to come to extended day with a purpose.

This year we will be having extended day Monday-Wednesday. We will be located in the library. We are staffed with 3 teachers to provide assistance to as many students as possible.

Where: Eubanks library

When: Monday, Tuesday, Wednesday

Time: 3:45-4:45 pm

Who: Any student at EIS

Students should be picked up in the back of the school. We ask that parents be punctual when picking up their child as there are no adults available to monitor students once they sign out of extended day.

Please note that students do not have to stay the entire time. If you plan on picking up your child prior to 4:45pm, please communicate with your child ahead of time your expected arrival time as the exterior doors of the school will be locked for safety reasons. There is a landline phone available in the library; however, students can use their own phone to call parents if needed. If you have any questions, please contact me.

Thanks!

Lylah Kreis

EIS Extended Day Coordinator
