

Beloved Partners,

We praise our faithful Father for your constant prayers and generous gifts over these past ten years. You hold a special place in our hearts. Passionate partners like you made it possible to boldly bring the light and life of Jesus to the Fairfax County Adult Detention Center. There is no greater joy than to see the power of the gospel bring new life, new hope, and new habits to broken lives.

In our final update, it seems fitting to include an excerpt from a letter recently received from a man who came to Christ while at FC ADC. For deeds committed before he was saved, he will spend the rest of his life in a Virginia Department of Corrections maximum security prison. He wrote:

“I find myself waking up each day feeling even more blessed than the last. The only reason I can explain never being miserable in this place and these conditions, is the Holy Spirit taking up more and more space in my heart.”

Thank you for standing with us in this journey of transformation.

With overflowing gratitude,

Vic & Suebee
