NOW OFFERING

at Connection Counseling Centers statewide

A new technique to

overcome the effects of trauma, addiction and anxiety –

Accelerated Resolution Therapy (ART)

Clients report rapid results from this treatment – many see dramatic results with only ***one session!***

Old Saybrook and Middletown Connection Counseling Centers have trained clinicians in this technique and are accepting new clients. Trained clinicians are also available at all of our eight Connection Counseling Centers statewide.

- *Bilingual and Spanish speaking providers available.*
- *Evening and weekend appointments available.*

Call our Toll-Free Helpline to schedule an appointment with our Intake Specialist:
