Candidates for Diocesan Assembly

Jill Chester

2nd Vice President
Sisters of the Resurrection
Church of the Resurrection, Longwood
2019

I feel called to serve on the Diocesan Board because I am always drawn to meet and fellowship with Daughters of the King outside my Chapter. I have met so many loving and faithful people in our Diocese, in our Province and at Triennial. I desire to use my God given gifts of Administration, Hospitality, Mercy and Wisdom to serve others. As the parable in Matthew 25:14-30 explains I would like to double my talents by using them in service to God's kingdom.
