Candidates for Diocesan Assembly

Aquinda Toppin

My name is Aquinda M. Toppin, and I am honored to be nominated for the position of Recording Secretary for the Order of the Daughters of the King within the Diocese of Central Florida. I have been a member of Holy Faith Episcopal Church in Port St. Lucie, Florida, since 2005, where I found a welcoming community and a nurturing spiritual home.

My journey into the Order began when a fellow church member, recognizing a spark in me, recommended that I consider becoming a Daughter of the King. After much prayer and reflection, I felt a profound calling that led me to join the Lighthouse Chapter 3038. This decision allowed me to deepen my relationship with God through dedicated practices of prayer, attentive service, and a commitment to evangelism. Being a Daughter of the King is about more than individual faith; it embodies a collective mission to support one another in our spiritual journeys. From the start, I recognized the Order as a vibrant spiritual sisterhood—a fellowship of women who uplift each other in faith and strive to serve Christ and His Church with love, compassion, and humility. I am excited to engage with my sisters in this mission as we work together to grow in our devotion and service to others.

I have been a faithful member of the Order for sixteen years, and during that time, my spiritual life has grown tremendously. Being a daughter of the King has strengthened my prayer life, deepened my relationship with God, and allowed me to serve both the Church and the community in meaningful ways.

Over the years, I have served in capacities as vice president and then as President within the organization. These opportunities have allowed me to work alongside resolute and faithful women who continue to inspire me through their commitment and service. Through every role I have held, I have always tried to lead with faith, humility, compassion, and a willing spirit.

If I am elected as the Recording Secretary, I hope to serve with dedication, integrity, and excellence. I understand the importance of this office and the responsibility of maintaining accurate records and communicating within the organization. I intend to work faithfully and cooperatively with the officers and members while helping to strengthen unity, organization, and spiritual growth within the Order.

Most importantly, I want my service to reflect Christ in all that I do. I pray that through this position, I will continue to encourage others, support the mission of the Order, and help make a positive difference in the lives of those we serve.
