## ATLANTA CHEFS' RECIPE FROM CHEF JESUS AVILA OF ECLIPSE DI LUNA FOR A PAN FRIED WHOLE RED SNAPPER

Chef's amazing recipe calls for:

**1 WHOLE RED SNAPPER (1-2LBS)**

**1/2 CUP OF BLEND OIL**

**1/4 TSP SALT**

**3 TBLSP OF ALL PURPOSE FLOUR**

**1 THYME BRANCH**

**1/2 GARLIC**

To prepare this Fried Whole Snapper dish like Chef Jesus Avila, pre-heat your oven to 350° Fahrenheit and do the following:

1. In a mixing bowl, mix the flour and salt together
2. Dust the fish with the flour mix prepared from previous step
3. In a fry pan, add oil at a medium heat and allow it to heat up for about 2 minutes
4. Place the Whole Snapper on the hot fry pan and flip on each side to get a nice crust - watch closely
5. After taking the fish off the fry pan, add garlic & thyme and stick everything in the oven for 10 minutes
6. Flip it for another 10 minutes
7. Serve your fish with lemon wedges and your favorite mixed greens
8. Enjoy!

# A 'WHOLE' LOT ABOUT CHEF JESUS AVILA OF ECLIPSE DI LUNA (PERIMETER)

Chef Jesus Avila is originally from Mexico City. His passion for food began in his grandmother's kitchen at the age of just 15. His professional career began in 1998 in an Atlanta restaurant called, "Genki Sushi & Noodles," where he worked as Sushi Chef and Head Chef for 10 years. In 2008, Eclipse di Luna welcomed Chef Avila to join the team, giving him the opportunity to grow professionally and continue to fulfill his dreams as a chef of Spanish Cuisine and Tapas.
