

ELS Gives Back During the Holidays!

[Tennille Hoover](#) & [Rukiya Davis](#)

What better time of year to think of others than during the holidays. This year, ELS was so grateful for the chance to impact lives in the metro Atlanta area. Our firm partnered with the Atlanta Legal Aid Society's Relative Caregiver Program to adopt two families for the holidays and provide gifts for each family member. We were delighted to include our clients, friends and families in the occasion by inviting them to shop for families, wrap gifts, drop off presents or make monetary donations.

Thanks to the generosity of Robelyn McNair and Ginger Arnold, we were able to collect \$75 towards the collection of gifts. On Saturday, December 16, 2017, ELS, clients, friends and families gathered to fellowship together as they wrapped gifts for the two families. We enjoyed the festive music and the delicious food. On Sunday, December 17, 2017, ELS had the great opportunity to travel and meet each family at their home. It was exciting to provide a little holiday cheer as both families received a carload of gifts. Nothing felt better than getting hugs from children eager and excited that Christmas came a little early this year!

ELS had so much fun this year, we decided to make this an annual event! Mark your calendars so you don't miss out!
