

# Join us on Saturday, October 8 at Onaga Community Hospital

## Health Fair with low-cost labs 7:00 to 10:00 a.m.

- Complete blood count, chemistry panel, thyroid screen, cholesterol panel, and hemoglobin A1c diabetes screening: \$25.
- Add a prostate specific antigen, or PSA, test: \$10.
- Influenza, Tdap, and COVID-19 vaccines will also be available.
- Please do not eat or drink anything after 12 midnight except water or black coffee.
- Payment is by cash, check, or credit card. Cash/check will be much faster!
- Results will come in the mail.

**Schedule in advance by calling 785-889-4241;**  
select Onaga Clinic (option 1). Walk-ins will  
also be welcome, but wait times may be longer.

## Community Baby Shower 8:00 to 11:00 a.m.

- Free to attend!
- Information, gifts, and giveaways for expectant parents or parents of babies under 1 year of age.
- Find resources about keeping your baby safe, breastfeeding, how to stop smoking, how to safeguard your mental health, and more.
- Birth Center tours will be available.

**No need to schedule in advance.**
