

Access your patient information with the CHCS Patient Portal

The Patient Portal offers **24-hour access** and helps you manage your family's care with one sign-in.

- Complete your health history before an appointment
- View your clinic or hospital visit summary
- Request a medication refill
- Make a clinic appointment
- View test results
- Message your healthcare team
- Access from HealthLife or Apple Health app (see back)

Sign up at Registration today!

HealthCare System

NE Kansas

WWW.CHCSKS.ORG

The Patient Portal is accessible through the HealthLife or the Apple Health app on your phone!

HealthLife app instructions

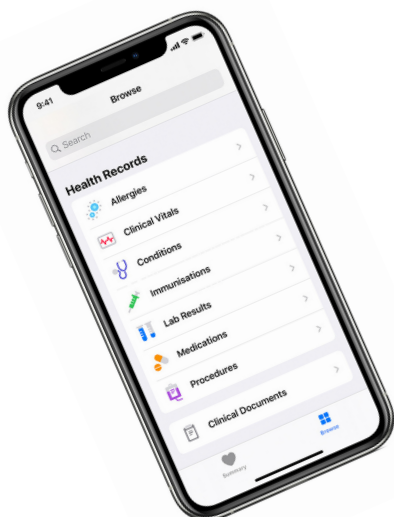

- After you are signed up for the Patient Portal, visit the App Store or Google Play to download HealthLife
- Open the app and enter your Patient Portal username and password
- Select Community HealthCare System as your organization

Apple Health instructions

- After you are signed up for the Patient Portal, use your camera to scan the QR code at left.
- The Health app will open and prompt you for your Patient Portal username and password.
- Repeat the process to add portals from other healthcare organizations and access health information in one place!
