

CAPE COD ACADEMY ATHLETICS

ATHLETICS UPDATE October 29, 2021

Girls Varsity Soccer

On Friday, October 22, CCA's Girls Varsity Soccer Team played against Falmouth Academy. While CCA was short-handed in the game, starting defenders Jordan Brown and Taylor Bodurtha stepped up to the task of playing sweeper and stopper. They led the team and helped get the ball up to the front line on numerous occasions. Jenna scored CCA's only goal. Lili Shanahan had 19 saves in goal. CCA lost the game in the end 1-4.

Boys Varsity Soccer

On Friday, October 22, the Cape Cod Academy Boys Varsity Soccer team played Falmouth Academy at home on Evan's field. The boys struggled to maintain possession and gave up three goals in the first half to a strong and disciplined FA team. The Seahawks never quit. They worked hard and had a few opportunities to break through the FA defense for a shot on goal. The team was unable to score and were beaten handily by the Mariners.

Cross Country

The weather cooperated on Monday, October 25 when we held an excellent final home meet on our campus. CCA runners had to make some last-minute adjustments as some students weren't originally planning to race, but all runners did an excellent job making the switch. Without those additional runners, the team would not have done as well as it did.

Times came down across the board and were very impressive! We saw many personal bests. Things are on track for everyone to run their best in late October! The top five boys and top five girls received prizes. Congratulations to:

Brandon Gomes - #1

Emele Conlon - #2

Liam Jatczak - #5

The race was scored by combined boys and girls top five team finishers. CCA took first place! This is the first time CCA has finished first since this meet was established six years ago.
