This can take them some time depending on the size of the auction. We anticipate all credit cards will be processed by the Monday after the event.

Are there ways to be involved with the Gala?

Yes! There are many ways to participate in addition to attending. If you have goods or services that you would like to showcase as auction items, please let us know by May 10th. Volunteers are also appreciated to help with decorations and set up. Please contact Katie Newhall or Emma Flynn at advancement@capecodacademy.org for more information.

How will the live auction work?

Our live auction will look almost exactly the same as it usually does...with the exception of a few cameras for those watching from home! You can still “raise a paddle” and participate so you don’t miss out on any of the action! More details will be shared closer to the event date.

Hope to see you on Friday, June 4th at Oyster Harbors Club!
