There are approximately 2 million jobs available across all sectors of the golf industry...follow your dream and build a fulfilling career in a **sport you love!**

A SAMPLING OF CAREERS IN GOLF:

PGA PROFESSIONAL

A PGA Professional must be able to teach golfers of different ages and abilities, manage the operations of the golf course, run the pro shop, market the golf course to potential new players and members, and work with the greenskeeping crew to maintain the course in tip-top condition.

CLUB MANAGER

A golf club manager is primarily responsible for overseeing the club's day-to-day operations. This person generally works in an office as well as the golf club itself.

SUPERINTENDENT

The Golf Course Superintendent is one who is entrusted with the maintenance, operation, and management of the golf course. Specifically, the Golf Course Superintendent must: Supervise the mowing, watering and maintenance of tees, greens, fairways and related areas.

ASSISTANT PROFESSIONAL

The Assistant Golf Professional assists the Head Golf Professional in the management of day-to-day Golf Operations of the facility. The position is responsible to supervise and manage total golf operations in the absence of the Head Golf Professional as well as teach golfers of different ages and abilities.

DEMO DAY ASSISTANT

A Demo Day Assistant is responsible for showcasing their company's latest technology and equipment at a golf course or driving range for golfers to try for free.

MERCHANDISER/BUYER

Ensures proper inventory levels are maintained throughout the golf shop and identifies customer preferences and forecasts consumer trends.

SALES REPRESENTATIVE

A sales rep interacts directly with customers throughout all phases of the sales process. They're responsible for identifying a customer's needs, pitching relevant products or services, and ensuring they have a positive experience from start to finish.

GOLF SHOP ATTENDANT

This position will provide support to the Golf Professional Staff in all aspects of the Golf Shop Operation.

STARTERS AND RANGERS | OUTSIDE OPERATIONS | BAG ROOM

To help manage tee times and player start times and to help facilitate play around the course, golf clubs hire starters and rangers. The Starter is the first tee's gatekeeper, managing the tee times as players begin their rounds. This position requires organizational skills and a personable demeanor as starters welcome golfers to the course. Rangers manage play around the golf course by keeping tabs on pace-of-play and helping assist players with such things as misplaced clubs or a lost ball.

CART ATTENDANT

A golf cart attendant is responsible for the maintenance of golf carts and other related equipment. He/She ensures the cleanliness practices of the golf cart. The Attendant should be aware of all the rules, regulations, and policies of the organization he/she is working with.
