OXBOX

A TRANE BRAND

AFFORDABLE QUALITY

When it comes to heating and cooling, sometimes you just don't need all the extra frills. Oxbox keeps it simple and affordable, giving you quality heating and cooling options that won't break the bank.

ENDORSED BY TRANE

Oxbox offers affordable, quality residential HVAC systems, endorsed by Trane®, that you can be proud to have in your home. And that's all ox, no bull.

$100 OFF!

CONDENSER SALE

$200 OFF!

FULL SYSTEM SALE

- Furnace models feature aluminized steel heat exchangers to conduct heat quickly and increase durability
- 80% and 95% AFUE models
- Oxbox furnaces are designed for multi-position installation allowing for easy replacement or new construction installation
- Furnaces are fully convertible to either natural gas or propane, making them suitable for use in any area – LP kit included
- Twinning capability built in. No kit required
- Painting galvanized steel cabinet that passed 500-hour salt spray test
- Quiet, multi-speed ECM circulator blower motor
- FER compliant
