

**Isabella Ginter** came to us from Intuit as she was entering high school; she had also had considerable experience in theater. Home-schooled, Isabella was able to work here in the preschool as an aide, and returned each day to dance. During her senior year, she performed the title role in *Giselle Act 2* with MOMENTA and the role of Nikiya in *Kingdom of the Shades* from *La Bayadere*. Isabella is currently enrolled (on-line) at Texas Christian University as a dance major on scholarship. During her high school years, Isabella worked as a demonstrator with younger students, and this summer, was assistant to Laura Brand and Stephanie Clemens. She has also taught at the Margo Dean School of Ballet in Fort Worth, Texas.
