

THE MC HONORS PROGRAM PRESENTS

DEIscussion and DEIbate on the proposition:

"Colleges should mandate the evaluation of professors based on their commitment to Diversity, Equity, and Inclusion (DEI)"

Come support our Honors students as they present different perspectives to stimulate discussion about this current and critical controversy in higher education!

All members of the campus and community are welcome to attend. Preregistration required and seating is limited for in-person attendance, so please RSVP ASAP!
