

Celebrating Our Veterans

Join us to honor our student veterans during this 2-Day event!

Let's come together to honor and recognize the brave veterans in our college community. We invite you to campus events on November 8-9, where we will express our gratitude and appreciation for the sacrifices made by our veterans. Let's gather in unity to celebrate their service and dedication.

Please mark your calendars and show your support for our veterans by attending these meaningful events prior to Veterans Day. Together, let's give thanks to these individuals who have served our nation.
