

TAKE A TOUR OF LOCKHEED MARTIN!

JOIN LOCKHEED MARTIN'S EXCLUSIVE SUNNYVALE FACILITY TOUR AND SOAR INTO SPACE INNOVATION!

Lockheed Martin invites college students to join an exclusive tour of their state-of-the-art facility in Sunnyvale. The tour includes a behind-the-scenes look at the Solara Array Facility, where solar arrays powering Lockheed Martin satellites are created.

Participants will also experience additive manufacturing technology at the lab. The tour aims to inspire and prepare students for paid spring internships at Lockheed Martin. Multiple tour dates are available.

WHO:

Students are being sought to participate in this tour

WHAT:

The tour will include the Solara Array facility - these are the solar arrays that are on the satellites put into space.

WHEN:

November 9, 2023, 2 – 4 PM

WHERE:

Lockheed Martin, Solara Array facility,
1111 Lockheed Martin Way, Sunnyvale

WHY:

Showcase paid internships to students for the spring.
