Empower Your Ideas

with TEDx at Mission!

MISSION COLLEGE
SANTA CLARA

Join us as we "leap" into Mission College's inaugural TEDx event **Thursday, February 29, 2024**, from 2:30 p.m. to 5:30 p.m. in Gillmor Center, Room 103, and we're actively seeking passionate students, employees and community members to be part of this transformative speaking experience.

Whether you're passionate about science and technology, arts and culture, or any other topic that ignites your curiosity, TEDx offers a stage for your voice to be heard. These eight to 18 minute talks are captivating and concise, making them perfect for sharing your insights in an engaging way.

TEDx, a program sanctioned by TED, is all about giving local voices a global platform. It's an opportunity for current and former students and employees to share their unique perspectives, ideas, experiences, and expertise with our community.
