Not a PRVCA member?

Visit [www.prvca.org](http://www.prvca.org) or email [daniel@prvca.org](mailto:daniel@prvca.org) for more information

Membership includes free year-round training events

This course will review in-depth installation training of the following Demco RV products:

- 5th wheel hitches- covering the Recon series as well as the auto-slide series. It will also cover frame rail installation using the Demco all in one template, proper adjustment, special scenarios, care and maintenance as well as proper coupling and uncoupling.
- Baseplate- review the basic installation of Demco's baseplates.
- Tow bars- proper adjustment, safety tips, care and maintenance and built in features.
- Supplemental braking- Learn about each of Demco's supplemental braking systems. The Air Force one, stay n play duo and Delta force, the course will cover the installation of each towed braking system. Learn different scenarios, care and maintenance as well as tips and tricks to help you out on your next install.
- Towed wiring- covering different types of towed wiring and how they are installed.

You will also learn safety precautions that should be used in installing any Demco product.
