

# IMMERSION SCIENCE

at Esperanza College

## ATTENTION HIGH SCHOOLERS

Join us for a week of FUN and SCIENCE at FlyLab hosted by Esperanza College & Fox Chase Cancer Center!

- Get an introduction to basic genetics
- Observe stages of fruit fly development
- Make connections between diet & health
- Go from benchwork bootcamp to experimental analysis in ONE WEEK!

June 26th to 30th  
9:00 am to 1:00 pm
