## High School SCIENCE TEACHERS – Chemistry and Physics

The Archdiocese of Philadelphia is seeking certified full-time Science teachers who are highly qualified to teach our high school students. These positions will be staffed with professional educators who provide excellent learning experiences and establishing a culture of high expectations in Chemistry and Physics.

#### PERFORMANCE RESPONSIBILITIES OF SCIENCE TEACHER:

- Prepare and deliver engaging and structured lectures to students
- Teach science courses, utilizing curriculum designated by AOP High Schools
- Collaborate with other teachers to create course materials
- Develop in each student an understanding of science concepts
- Adapt materials and methods to develop assignments and lesson plans that guide and challenge students
- Monitor students' development
- Ensure compliance with school policies, regulations and objectives

#### QUALIFICATIONS:

- Bachelor's degree from an accredited institution.

Candidates interested in this teaching position should send their cover letter, resume, and transcripts to

Mr. James Molnar, HR Manager for Secondary Schools
