

# SPARK MENTORSHIPS

## Join the Philadelphia Education Fund for Spark Mentorships 2023!

*Spark mentors engage students over a 10 week period to help them explore what's possible for their future. Through a Spark developed and provided curriculum, mentors help students identify and develop a career interest project. Spark and school staff are available on-site at a location convenient to mentors and mentees in the city to assist mentors with any challenges they may encounter through the mentorships.*

### The details:

- March 13 - 23rd and April 10 - June 1, 2023
- One day a week for one hour, 3:30-4:30pm
- Mondays and Thursdays at the Philadelphia Education Fund
- Wednesdays at the University of Pennsylvania campus
- Mentor transportation and/or parking is the responsibility of the mentor

### Mentor Requirements:

- Attend a virtual one-hour mentor orientation session.
- Complete a comprehensive criminal background check and three-hour Mandatory Reporter Training (provided by PEF).
- Dedication to the program and an agreement to miss no more than three mentoring sessions.
- A desire to help 7th and 8th grade students discover what is possible!
