Award Acknowledgment

Completion of this form does not guarantee an invitation to attend Good Citizen Day. Please speak to your Nominator for more information about the selection process.

Good Citizen Day provides an immersive experience in constitutional and civics education for our future leaders. It is a day built on the Union League's legacy of service to community and country. The students who join our community through Good Citizen Day represent the greatest embodiment of this legacy.

The ideal candidate demonstrates hard work and fair play, has personal attributes of honesty, courage, tolerance, curiosity, and loyalty, and endeavors to follow and uphold the principles of American patriotism.

If you are nominated by your organization, a formal invitation letter and packet will be sent to you from the Legacy Foundation in February 2022. Receiving this honor also means joining the Union League community, and students accepting the nomination are expected to conduct themselves as responsible individuals, both while at the Union League and outside.

I acknowledge that by filling out and signing this form, I understand why I am being nominated for the Union League Good Citizenship Award and will participate in Good Citizen Day on April 6, 2022.
